ONE-ON-ONE RATTLESNAKE AVOIDANCE TRAINING

PERSONALIZED. EFFECTIVE. LIFE-SAVING.

PRIVATE, ONE-ON-ONE SESSIONS
Your dog gets our full attention in a distraction-controlled environment for maximum learning and safety.

REALISTIC RATTLESNAKE SCENARIOS
Your dog will encounter 6 live snakes including safe rattlesnake encounters, and will be extensively trained to recognize scent, sound, and sight.

SCIENCE-BACKED METHODS
Proven training techniques based on canine behavior science—not fear, force, or old-school myths.

BUILT FOR REAL LIFE
We train for the real world—hikes, trails, parks, backyards, and anywhere snakes may be.

IDEAL FOR DOGS WHO:

- Hike, run, or roam outdoors
- Live in snake-prone areas
- Have a high prey drive
- Are young and still learning
- Need a confidence boost
- Have had a close call
- Accompany you to work
- Are your best adventure buddy

"THIS TRAINING COULD BE THE DIFFERENCE BETWEEN A CLOSE CALL AND A TRAGIC OUTCOME.
